RE: Fort Monmouth

Dear Ms. *Helen* ~~Shannon~~:

Enclosed please find the information you requested concerning the solid waste facilities at Fort Monmouth. Please note that the final NJPDES permit covers five landfills at the facility. I have been advised by the Division of Water Resources that they are satisfied that the NJPDES permit is an effective tool for monitoring the impact of the landfills identified in the May 1980 Installation Assessment Report. I have, however, distributed copies of the Assessment Report within the Department and further comments may follow.

If you have any questions concerning this matter, do not hesitate to contact me at 609-984-2990.

Sincerely,

Elissa Stone
